******* DEALER REGISTRATION FORM *******

Last year Show attendance continued to be very strong, and moving the clinics to the adjacent Scottish Rite auditorium allowed for the expansion of dealer booth space to 2 full floors. This improved both the traffic flow and visibility.

This year the Headlining Clinician will be **STEVE SMITH** of **JOURNEY** and **VITAL INFORMATION** plus, **PAUL FRANCIS**, **ZILDJIAN** Director of Research, Quality, and Design.

I ask again to PLEASE control the volume level and the time limits being allowed to testing the instruments at your booth. Please, no endless drum solos! And if your booth neighbors are not controlling this – PLEASE contact a Staff Member.
